13. The most interesting thing/aspect during the mobility for me was...	14. During the mobility, it was difficult for me to...	15. During the mobility, one of the things I learnt was...
Talking with friends from other countries	Nothing	Meeting with new peoples
For me it was people that i was around them not in a bad way in a good way	I was a bit hard to cominiacte	Always be prepered
Atlantic ocean	traveling by bus	A song sung in portuguese in the car
Exchange of cultures	Communicate with some students from other countries	Every culture is very rich
Food and Culture	Not difficult, So nice so perfect.	Portugese people are very nice
historical artifacts belonging to the country	I had a hard time meeting	I learned important information about the country
Seeing a ritual of students from university	Leaving Portugal	Portuguese people are so nice, polite
the mutual desire to understand each other.	let students some free time on their own.	that everything can't always be as it was planned, but somehow it can be better!
to share activities and emotions with foreign students and teachers.	Nothing was difficult for me during the mobility..	To appreciate the differences among the culture of the teams .
meet people from other languages and states	nothing	improve my English
Meet other people from different cultures and countries.	Eat foods.	I must learn different languages.
Being able to see the ocean	Choice of food	Cultural songs and dance
To see how people from different cultures can organize and connect sufficiently when we visited Lisbon	To adapt timing	To how to be more cooperative
Cultural and environmental	left my home, I miss my parent! every minute	speaking english with another people
	To adapt to the hotel	That portugal is beautifull

16. Would you change, modify or add anything for the next mobility? Have you got any ideas to share?
No I dont
I would want to add more people that travel with us
I think we should have gone to some nicer places
No
No, project is so good I like. I would like to join again
I was curious about the historical monuments of the country, I would like to participate again, because I think it will be useful
Everything was perfect
I wouldn't change anything. The last mobility was the acme of a project that I loved in all its aspects and moments (from the one in Italy where I was in charge, with all the anxiety it could cause, to the one spent in fairylike Tur
No, I haven't
give the opportunity to many young people to live this wonderful experience
In my opinion projects must have more budget for flight and accomodation.
I would have wanted to stay more in Lisbon
No it was adequate
No, it was perfect
Nothing
